Societatea Națională de Gaze Naturale Romgaz S.A. · Sucursala Ploiești · România

Ploiesti, 21 November 2016

I hereby confirm that Mr. Riccardo Arseni has worked for Sărmășel Gas Storage plant project from May 2016 to November 2016 and provided a high level of service to Romgaz.

He worked as consultant / technical advisor for all Automation matters.

During this period, Mr. Arseni has participated to the definition and development of the logic regarding the installed Superior Units WH74 (driven by Waukesha gas engine type 12V275GL+) accordingly with plant needs.

Mr. Arseni has worked deeply for all the Commissioning and Start up phases on Siemens PLC S7 Failsafe system.

I can confirm that his performance has been always very good and he has willingness to understand and solve issues and problems in a very cooperative and effective way.

He is a very good team player and he is focused to the customer needs.

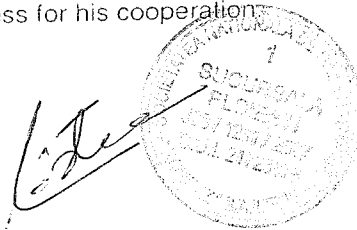

Mr. Arseni has very good communication skills and he's able to use them in multicultural work environment.

He has done an excellent job that was completed accordingly with the job schedule.  
By this letter I would like to express my thankfulness for his cooperation.
